

SCHOOLS MUST NOT KEEP SECRETS FROM PARENTS

Some New Brunswick teachers want to facilitate a student's sexual transition to the opposite sex without the knowledge or consent of parents.

Let's Support Transparency In Schools!

WHY PARENTAL CONSENT MATTERS.

When a child is experiencing gender confusion, parental guidance is crucial.

Mom and dad know their children best, and love them the most!

Activist teachers are not superior to parents.

When schools respect parental consent, it ensures decisions are made in the best interests of the child, fostering a safe and nurturing environment.

Join us in advocating for parental consent regarding gender transitioning at school!
